7. Research Plan

(1) Write a brief research plan of your proposed Master's thesis within 700 words (maximum of 3 pages). At the selections, this research plan will be used by the faculty members of the graduate school to evaluate your academic ability and motivation. When more space is needed, please write on separate sheets of A4 sized paper. Make sure to sign each page. Below is an example of the structure of the research plan. Usage of this structure is not essential but strongly recommended.

1. TITLE of your Master’s thesis

2. INTRODUCTION (1 paragraph):
   To state clearly what your research interests are. Necessary to include the followings:
   • Background information regarding the selected topic and your involvement (e.g. what is the main reason that you chose the topic, your relevant working experience, etc.)
   • The main objective of your study

3. MAIN BODY (approximately 3 paragraphs):
   To provide specific information to support your ideas. To explain what you are going to study and how the research is conducted. Necessary to include the followings:
   • Brief explanation for your analysis of this topic.
   • Brief explanation for your research methodology.
   Not to digress from the topic and to explain in brief what you want to learn in the Japanese university you chose.

!! IMPORTANT !!

✓ It must be demonstrated that your academic background and job experience are sufficient enough to engage in and complete the Master's course in Japan. In this regard, it is essential for applicants to select a research theme which is associated with his/her current or future assignment in his/her organization.
✓ It is desirable for applicants to discuss with his/her organization to get supporting references, such as a policy and/or strategic paper of the organization.
✓ Applicants must have a good understanding of the Master's courses offered by the universities of your choice. The description in the research plan is used to evaluate whether the course is capable of supporting applicant's research.
✓ Applicants should write the research plan in light of the requirements and characteristics of the Master’s course. It is strongly recommended to contact the faculty before submitting the applications in order to know whether or not the universities of his/her choice can accept the research plan.

4. CONCLUSION (1 paragraph):
   To stress the most important point(s) of your research plan, and your future work. Necessary to include the followings:
   • The skills which you wish to obtain in Japan.
   • How you intend to utilize your research to solve the issue(s) mentioned in the first part of the plan after returning to your home country. It should be focused on what difference will be made to your country/organization by your research and how to foster close connection with the Japanese private sector.
**Declaration**

I, (print your full name) _______________________________,
declare that I apply for the Master’s Degree and Internship Program of the African Business Education Initiative for Youth (ABE Initiative) with a full understanding of the “General Information for ABE Initiative” (hereinafter referred to as the “Guidelines”), especially the articles stipulated below:

1. All the information answered and provided in this application form by me is true and accurate to the best of my knowledge and ability. My application will be cancelled if any information is proven to be false.

2. All the information provided by me in this application form had been approved by my supervisor in my organization. (Required only for Governmental Officials (including public organizations) and/or Educators.)

3. An application form which is incomplete or missing any necessary document(s) will be deemed ineligible and not considered.

4. The selection procedure and results rest entirely with JICA as the secretariat of ABE Initiative Program. No inquiries or objections by applicants regarding the result of the selection process will be considered.

5. If any act of dishonesty is found other than those above in the application and selection, I am to lodge no complaint about cancellation of the application.

6. The objective of the program is to provide African youth the opportunity to study in Japan at the master’s level in order to support industrial development of their country while broadening and strengthening the linkage between their country and Japan. Therefore, I will participate in observation tours of companies, summer internship, and post graduate internship as designated by JICA.

7. I understand that I am required to contribute to the development of my nation’s relationship with Japan after completing the Master’s course and internship in Japan.

8. I understand that the objective of the program is not provision of employment in Japan upon completion of the program.

9. I agree that my personal information in the application form, provided to JICA, will be used for the purpose of the implementation of the program, and the information will also be supplied to the related university and companies.
