E-Learning System - ELS

Modernisation and transformation of the Civil Service is underway. The E-Learning System (ELS) is a platform with the use of web-based technologies. It will be launched during mid-August 2015, initially, with ten courses, to enable public officers to grow professionally and broaden their perspectives.

List of courses:

1. Code of Ethics for Public Officers;
2. Performance Management System;
3. Service Resilience Awareness;
5. Responsible Care Programme;
6. Understanding Occupational Safety and Health at Work;
7. Integrated Vector Management;
8. Stress Management;
9. Fundamentals in Budgeting; and
10. Introduction to the Social Register of Mauritius.
