The Mauritian Standard ISO 9001:2008 is an international standard which defines the basic elements of a Quality Management System that organizations can use to ensure delivery of quality services.

2. In line with Government’s vision to bring about transformational change for ensuring that the Civil Service performs more efficiently and effectively, this Ministry has been promoting the adoption of ISO principles by Ministries/Departments.

3. In this connection, this Ministry has been providing the services of Facilitators to guide and assist government organizations embarking on ISO projects (MS ISO 9001:2015). It is now envisaged to enlarge the pool of Facilitators to cater for the growing demand from organizations embarking on ISO projects. As such, this Ministry proposes to train other Public Officers willing to assist in the implementation of ISO projects. Facilitators should, inter-alia:

(a) hold a Degree in the field of Quality Management, Management or an equivalent qualification;
(b) have good interpersonal, communication and leadership skills; and
(c) reckon at least 7 years of service in a substantive capacity.

4. On selection, Facilitators would be provided with appropriate training to implement the Quality Management System in Ministries/Departments. They would be paid an appropriate fee on the successful implementation of ISO projects.
5. Officers who wish to act as Facilitator are invited to submit their application, on the basis of the attached pro-forma, to the Administrative Reforms Division of this Ministry, 10th Floor, SICOM Building 2, Cnr Chevreau & Reverend Jean Lebrun Street, Port Louis by Wednesday 30 September 2015.
