Implementation of PRB/Addendum Report 2016
Higher Qualification Incentive (HQI)/Incremental Credit for past experience

Paragraphs 18.9.16 and 18.9.17 of the 2016 PRB Report provide for the payment of lump sum rates of HQI to officers for holding higher qualifications which are directly relevant to the duties of the grade, subject to conditions specified in these recommendations. Further, paragraphs 18.9.5 and 18.9.5A of the 2016 PRB Report/Addendum Report recommend the grant of Incremental Credit for experience acquired before entry in the service. Relevant extracts of the recommendations are reproduced at Annexes A and B respectively, for ease of reference. However, the Chapter on Increment and Incremental Credit should be read in its integrity for the purpose of determining eligibility for HQI/Incremental Credit.

2. The Standing Committee set up to determine the Award of HQI and Incremental Credit for Experience Acquired Prior to Entry in the Service has, following the publication of the 2016 PRB Report and the Addendum Report to the 2016 PRB Report, taken the following decisions with regards to Incremental Credit for experience acquired prior to entry in the service and award of HQI for Additional Qualifications:

(a) HQI for Additional Qualifications

(i) since the effective date of implementation of 2016 PRB Report and its Addendum Report, which is an integral part of the PRB 2016 Report, is 01 January 2016, the implementation of HQI scheme is effective as from 01 January 2016. Hence, all applications made on and after 01 January 2016 would be governed by the recommendations of the 2016 PRB Report and payment would be due as from date of application;

(ii) while determining eligibility, besides the qualifications prescribed in the schemes of service of a Cadre, the recommendations of the 2016 PRB Report should also be taken into account, in particular, where recommendations have been made for upgrading of qualifications at a certain level in a cadre;
(iii) the two HQI recommended in the Report would be inclusive of incremental credits/lump sums already granted under the previous Reports;

(iv) where a QB has been inserted in the salary scale of a grade in the cadre, no HQI would be payable;

(v) with regards to ACCA qualification, HQI will be granted, subject to eligibility, on obtention of the ACCA Professional Level only and not for Membership or Fellowship as the Tertiary Education Commission has informed that these are not considered as additional qualifications to the ACCA Professional Level; and

(vi) applications should be made on the basis of Final Certificate Awarded and not on the basis of provisional certificates and result slips.

(b) Incremental Credit for Experience Acquired Prior to Entry in the Service

(i) as regards Incremental Credit for Past Experience, date of confirmation in the service should be considered solely for eligibility purpose as stated at paragraph 18.9.5(i) and the date of application for payment purpose as per paragraph 18.9.5A i.e increment for past experience would no longer be approved as from date of confirmation as was the case under the previous PRB Reports;

(ii) applications should invariably be supported by relevant documentary evidence duly certified under seal of the organisations where the relevant experiences were acquired. The onus should rest on the officer to provide authenticated documents with seal; and

(iii) applications for Incremental credit for past experience acquired in a similar capacity should be made on the basis of the post to which an officer joined the service, subject to relevant conditions being satisfied. In the event an officer applies for incremental credit for past experience after having upgraded or been promoted to a higher position than the one in which he joined the service, he would not be entitled to the incremental credit for past experience.

3. Where an application for HQI or incremental credit for past experience does not meet the criteria for eligibility and is not recommended by the Ministry/Department concerned, the application should be turned down at the respective Ministries'/Departments' level and a reply made to the officer in writing with full justifications as to his non-eligibility. However, for complex cases where Ministries/Departments face difficulty in determining the relevance of qualifications, same should continue to be referred to the Ministry of Civil Service and Administrative Reforms.

4. Application Forms

In line with the recommendations of the 2016 PRB Report, new pro-forma application forms for lump sum rate for HQI for Additional Qualifications and for Incremental Credit for Experience Acquired prior to entry in the Service are enclosed at Annexes C and D, respectively. Ministries/Departments should ensure that:

(i) applications are made on the appropriate forms;

(ii) the particulars are duly certified by an officer of the Human Resource Section, not below the level of Human Resource Executive. The onus to submit correct and accurate information on the application form would rest solely on the Ministry/Department concerned;
(iii) applications are accompanied by all relevant documentary evidence duly certified by the Ministry/Department; and

(iv) the applications are submitted to this Ministry under a comprehensive covering letter.

5. Supervising Officers of Ministries/Departments are requested to ensure that the contents of this Circular Note are brought to the attention of all public officers, for their guidance.

(i) the additional qualifications are obtained following an examination and are duly recognised by the Mauritius Qualifications Authority or the Tertiary Education Commission;

(ii) where different qualifications are laid down in a particular scheme of service, the highest one would be taken as the basic qualification for the purpose of determining eligibility for payment of HQI;

(iii) only officers holding a substantive appointment would be considered for the grant of HQI for additional qualifications;

(iv) officers who have already benefited from the payment of HQI for additional qualifications in one capacity would not be granted HQI anew for the same qualifications in another capacity;
