GOVERNMENT OF MAURITIUS

SCHEME OF SERVICE SPECIFIED UNDER REGULATION 15 OF THE
PUBLIC SERVICE COMMISSION REGULATIONS

Department: Civil Aviation

Post: Senior Aeronautical Information Officer

Salary: Rs 22,175 x 750 – 29,675 x 900 – 34,175 x 1,200 – 37,775 (03 47 65)

Effective Date: 05 November 2014

Qualifications: By promotion, on the basis of experience and merit, of officers in the grade of Aeronautical Information Officer who reckon at least three years’ service in a substantive capacity in the grade and possess good supervisory, communication and interpersonal skills.

Duties:
1. To manage the day-to-day running of the Notice to Airmen (NOTAM) Office, Briefing Office and Flight Clearance Office.
2. To receive, process and transmit all information required by aircraft operators and other users of aeronautical information.
3. To collect and process information required due to changes in route plans of existing aircraft operators or to the advent of new aircraft operators.
4. To ensure the production and regular updating of the Mauritius Aeronautical Information Publications (AIP), AIP Supplements and Aeronautical Information Circulars.
5. To ensure that the following duties are performed in an efficient and effective manner –
   (a) the receipt, collection, updating and processing of data and the distribution of relevant aeronautical information;
   (b) the provision of Aeronautical Information Service in accordance with the provisions of the International Civil Aviation Organisation (ICAO) Annex 15, Aeronautical Information Services Manual and other publications;
   (c) the keeping of all foreign Aeronautical Information Publications (AIP), AIP Supplements and Aeronautical Information Circulars and other documents up-to-date;
