Ministry: Fisheries and Co-operatives and Co-operative Development

Post: Officer-in-Charge, Engine Room

Salary: Rs 3,250 x 250 - 9,000 x 3,00 - 9,000 x 4,00 - 10,000 (MRS 14)

Effective Date: 16th September, 1980

Qualifications:
A. Certificate in Engineering craft practice issued by the City and Guilds of London Institute or an alternative qualification acceptable to the Public Service Commission

B. At least three years' experience in the engine room of a sea-going vessel.

Possession of a Cambridge School Certificate would be an advantage.

Note:
For the first intake, priority of consideration will be given to the person who is presently performing the duties of the post on board the MPRV 'Investigator', although he does not possess the above qualifications.

Duties:
1. To be in charge of the vessel's engine room and all electrical equipment.

2. To be in charge of the operation and maintenance of all machinery, plant, and craft.

3. To be responsible for the provision of fuel and lubricants to the vessel.

4. To keep log book regarding the consumption of fuel.

5. To prepare indents for spare parts as necessary.

6. To control engine room personnel.

7. To diagnose defects and effect necessary repairs.

8. To perform any other duties relating to the vessel and the stores relating to the engine room as may be assigned by the skipper.

9. To work on any other vessel belonging to the Ministry of Fisheries as and when required.

10. To perform other cognate duties.
