SCHEME OF SERVICE SPECIFIED UNDER REGULATION 15 OF THE
PUBLIC SERVICE COMMISSION REGULATIONS

-2-

(b) a Master's Degree or a postgraduate diploma from a recognised institution in one of the fields at (2) above or an equivalent qualification acceptable to the Public Service Commission.

Qualification at (a) under ‘Note’ should have been obtained prior to qualification at (2) above and at (b) under ‘Note’.

NOTE 1

In the absence of suitably qualified Senior Hydrological Technicians and Hydrological Technicians, by selection from among candidates possessing the qualifications laid down at (1), (2) and (3) above.

NOTE 2

In the absence of suitably qualified Senior Hydrological Technicians and Hydrological Technicians and candidates under ‘NOTE 1’, candidates not having practical experience in hydrology as specified at (3) above will be considered but, if selected, they will, in the first instance, be appointed in a temporary capacity. They will be required to undergo appropriate training/attachment to acquire experience in hydrology for at least two years before being appointed in a substantive capacity.

Candidates should produce written evidence of experience claimed.

Duties:

1. To be responsible for -

   (i) collection of hydrological data including field measurements;

   (ii) keeping of an up-to-date computerised database;

   (iii) supervision of field staff;

   (iv) maintenance of equipment and instruments;

   (v) checking, recording, analysing and collating of data for publication;
