Implementation of Reform Projects in the Public Service

In line with the Reform Initiatives highlighted in this Ministry's Action Plan 2001-2003 Towards the Modernisation of the Public Service', the Ministry had circulated *inter alia* documents in respect of the Staff Suggestion Scheme, Code of Ethics and Total Quality Management Framework for implementation in all Ministries and Departments. The following documents have now been printed in a simpler version and format (posters and pamphlets) for distribution to a greater number of Public Officers with a view to ensuring the sustainability of reform initiatives:

- (a) Staff Suggestion Scheme: Pamphlets and Posters
- (b) Code of Ethics for Public Officers (French Version): Pamphlets and Posters
- (c) Total Quality Management Framework (Executive Summary): Booklets

It would be appreciated if you would arrange for collection of copies of these documents from Mr I. Bahemia, Library Officer, Civil Service Library, Ministry of Civil Service Affairs and Administrative Reforms, Atom House, 16 Royal Street, Port Louis (Tel. No. 208-7583).
