Scan your Service Providers’ QR code to re-register.
Scannez le QR Code de votre opérateur respectif pour vous réenregistrer.
SIM (including eSIM and M2M SIM) re-registration is the process defined in the Information and Communication Technologies (Registration of SIM) Regulations 2023 where a service provider collects, verifies and records information of existing holders of SIM.

You may re-register either online or by visiting showrooms of Service Providers. Scan your Service Providers’ QR code to re-register.

If you have multiple SIMs, each one of them should be re-registered individually.

THE AIM
L’OBJECTIF

The aim for re-registration is to ensure that every SIM holder has his SIM(s) duly re-registered under his identity by 30 April 2024 in order to avoid any SIM deactivation.

L’objectif de ce réenregistrement est de s’assurer que chaque détenteur de SIM a sa (ses) SIM dûment réenregistrée(s) sous son identité d’ici le 30 avril 2024 afin d’éviter toute désactivation.

You may re-register either online or by visiting showrooms of Service Providers. Scan your Service Providers’ QR code to re-register.
