Mega Blood Donation 2022

The Ministry of Health and Wellness, in collaboration with the Blood Donors Association, is organising a **Mega Blood Donation exercise from Monday 19 December 2022 to Thursday 22 December 2022, at the Municipal City Council of Port Louis.**

2. The Mega Blood Donation provides the National Blood Transfusion Service with the opportunity to renew its stock and maintain an adequate supply of blood for routine as well as emergency cases during the festive season.
3. It would be appreciated if officers who are willing to donate their blood could be released for two hours for this purpose and subject to the exigencies of the services. The Ministry of Health and Wellness will issue the officer with a memo certifying that he/she participated in the blood donation.
4. I rely on your usual cooperation.
