I Program Description

1. Basic Information

(1) Introduction

Academic Education Program for developing countries under the Ministry of Commerce of the People's Republic of China (MOFCOM) was established in 2008 by MOFCOM through Chinese Government Programs. The purpose of this program is to cultivate high-end, inter-disciplinary and applied talents for the recipient countries in such fields as politics, trade, foreign affairs, agriculture, technology, education, culture and health, energy and transportation, public management, etc., and to provide intellectual support for recipient countries in their economic and social developments. The Academic Education Program offers one-year or two-year master programs and 3-year doctoral programs, which provide assistance to government officials, research fellows, and senior managerial personnel on their master and doctoral education in China, and are instructed in English. Due to short schooling system, the students are requested to obtain a bachelor degree in advance with some working experience in related fields so that they can better understand the lectures on time. They are also requested to be in a good health so as to adapt to extensive learning and to obtain the degrees.

This program is playing an increasingly important role in the economic and trade cooperation and development between China and the recipient countries and highly valued by the host governments.

2023 International Program for Master of International Business (IMIB) organized by Jiangxi University of Finance and Economics (JUFE) for Senior Officials of Developing Countries prepares you for leadership positions in the field of international business with a curriculum designed and delivered by China's first-class faculty, to help you meet the unique challenges of managing teams that span continents and cultures and expanding businesses into new global markets, in a vibrant learning environment.

(2) Prospective Students

Our prospective students are mid-to-senior level officials or managers from the government agencies, foreign-related enterprises, colleges, academic institutions and other public sectors, who have demonstrated superior performance, both academically and in their work. By the time of enrollment, each must have obtained an undergraduate bachelor's degree.

(3) Program Objective

To train high-level, compound and applied talents in the fields of politics, economy and trade, diplomacy, agriculture, science, education, culture and health, energy and transportation, public administration, etc. for developing countries.

(4) Enrollment Plan

We plan to enroll up to 30 students for our 2023 International Program for Master of International Business (IMIB) with two years of full-time schooling and English is the language of instruction.

(5) Financial Aid

The program is funded by the Ministry of Commerce of the People's Republic of China under the foreign aid fund, which includes the expenses of training school and its administration fees as well as students living expenses and round-trip international airfare. Students are exempt from tuition fees, textbook materials, research fees, English tuition fees, and thesis supervision fees. The school provides free accommodation for the students and buys comprehensive medical insurance on their behalf. It also provides students with a regular living allowance of RMB36000 per year for Master students, and RMB 42000 for PHD students with settlement fees of RMB 3000 for both types of students. The Ministry of Commerce offers free round-trip international air tickets: those with one-year program can enjoy one round-trip international air ticket; those with two or more than two-year program can enjoy one round-trip international air ticket can enjoy return air tickets for n-1 (n for school year) home visits. All degree students are required to participate in the annual assessment. Successful applicants will be eligible for full scholarship for the following year. Other fees like the teaching materials expenses shall be managed by the Ministry of Commerce or JUFEE as planned, and shall not be given to the students.

The students are funded within 2-year study period. Those who postpone their graduation cannot get further funding.

2. About the Organizer

(1) About JUFÉ

Jiangxi University of Finance and Economics (JUFÉ), founded in 1923, is located in Nanchang city, Jiangxi province, China. It is jointly governed and sponsored by the Ministry of Finance, the Ministry of Education and the People's Government of Jiangxi Province. As a comprehensive institution of higher learning with a focus on economics and management, JUFÉ is one of the leading universities in these areas, ranking 7th among all the universities of Finance and Economics in China. JUFÉ also includes significant disciplines in languages, international education, humanity, law, engineering, natural science, agriculture, philosophy and history. The university has a current teaching staff of 1294, including 257 professors, 444 associate professors, 124 doctoral supervisors and 642 master advisors. Two of them are awarded National Teaching Excellence Award, 27 are granted Special Government Allowances of the State Council, 2 are listed as National Model Teachers, 2 are listed in the National "One-hundred, One-thousand, Ten-thousand Talent Project", and 4 are included in the Ministry of Education's "New Century Excellent Talents Support Project". In the 4th round of national disciplinary evaluation, JUFÉ is ranked A⁻ in applied economics (top 10% in China), and chosen as the first-class discipline construction in Jiangxi.

JUFÉ has 21 teaching colleges, with 26,000 full-time undergraduates, nearly 5,000 postgraduate students and over 400 international students. The university has established and cooperated with 141 universities in 40 countries and regions, including the United States, the United Kingdom, Canada and Australia.

(2) About SITE

This program will be organized by School of International Trade and Economics (SITE) of JUFÉ. SITE founded in 1958, is specialized in education and research in international economics and business. The SITE has a current teaching staff of 63, including 10 professors and 21 associate professors. Cooperating with 12 excellent universities of USA, UK, Japan, South Korea and Australia, SITE is outstanding in overseas education. Since 2008, more than 600 senior officials from 90 developing countries have graduated from SITE.

(3) Living Environment and Condition

JUFE is located in Nanchang, Jiangxi, which is not only a historical cultural city but also a revolutionary heroic city in China with total areas of 7402 square kilometers and population of 5.46 million (in 2017). The price level in Nanchang is low with average monthly consumption around 2000-3000 Yuan. Nanchang is a typical city of "hot summer and cold winter". It is hot in summer but cold in winter. Nanchang is known as one of the four "furnaces" in China with the highest temperature at 40 °C . The lowest temperature in winter in the past few years reached -6 °C . Therefore, students should prepare T-shirts and heavy coats for themselves.

JUFE has constructed International Student Apartment within the campus. Each international student of master program or PhD program is provided with a standard independent apartment. The apartment has a complete set of equipment, such as an air-conditioner, a TV set, a water heater, a wardrobe, a low cabinet, a single bed, etc..The apartment also is equipped with public kitchens, which facilitate students in their life.
