“Update” – A Public Sector Newsletter

The **Public Sector Newsletter ‘Update’** is a magazine published by this Ministry on a regular basis and it serves as a means to disseminate ideas, share best practices and showcase innovation and achievements in the public service. It is a reliable tool to channel communication and to bridge the information gap amongst various stakeholders inside and outside the public service. The last edition of the newsletter was released in April 2016 and the next edition is scheduled to be released in November 2017.

2. In this context, I am pleased to invite you to submit articles and photos that could showcase important and successful events/activities of your organisation for publication in the Newsletter. The article may, for example highlight quality services delivered by your organisation and/or any remarkable achievement.

3. I should be grateful if you could arrange for the articles and photos to be submitted by **Friday 30 June 2017** in soft copy to mcsa-ar@govmu.org and in hard copy to the following address:-
