Senior Citizen's Club – "Club Le Flamboyant"

A Senior Citizen's Club was created in 2002 to look after the welfare of retired public officers as well as public officers above 55 years who are still in service. The Club was registered with the Registrar of Associations with Registration No. 6876 under the name of "Club Le Flamboyant". The overriding objectives of the Club are to:

- (i) promote the welfare of its members and their families;
- (ii) organise recreational and cultural activities; and
- (iii) implement Schemes/ Projects for the welfare of its members.

2. Throughout the year, the Club organises a series of activities for its members, both locally and overseas namely, outings, stay at hotels, tours to Rodrigues and other countries amongst others. Regular activities, including indoor games' competitions and talks are also carried out at the Civil Service House, Gymkhana, Vacoas.

3. Over the years, it has been noted that the membership of the Club has declined considerably due to the fact that public officers are not aware of its existence. As a matter of fact, there are currently hardly 700 members.

4. It would be appreciated if you would kindly encourage all officers aged 55 and above and those who are about to retire from the service to join the Club and take advantage of its different activities.

5. Information regarding activities organised by the Club and the Membership Admission Form can be obtained on Wednesdays from 09 00 hours to 12 00 hours, on Level 12 in SICOM Building 2 from the Club's office which operates at the seat of the Public Officers' Welfare Council (POWC).

B. Boyramboli
Secretary for Public Service
