Code of Ethics for Public Officers

The Code of Ethics for Public Officers was revised in 2016 and distributed to all Ministries/Departments.

2. Of late, this Ministry has been receiving requests from Ministries/Departments for additional copies of the booklet on the Code of Ethics for Public Officers. To ascertain that this Ministry produces an adequate number of the document and that there is no wastage, Supervising Officers in charge of Ministries/Departments are invited to inform this Ministry of the number of additional copies that they need.

3. Your request should reach the Administrative Reforms Division of this Ministry, Level 10, SICOM Building 2, Port Louis at **latest by 22 June 2018**. The Code of Ethics for Public Officers is also available, in soft copy, on this Ministry's website at <http://civilservice.govmu.org>.

4. I seize this opportunity to remind that Public Officers should exercise their duties and functions with the highest degree of professionalism and ethical conduct. I make an appeal to my colleagues to carry out continuous sensitisation in their respective organisations on the importance for Public Officers to adhere to the Code of Ethics.

5. I thank you for your cooperation in this matter.
