PUBLIC SERVICE COMMISSION REGULATIONS**

-2-

Qualification at (a) under 'Note' should have been obtained prior to qualification at B above and at (b) under 'Note'.

NOTE

Selected candidates will be appointed in a temporary capacity in the first instance and will be required to undergo on-the-job training in all aspects of aviation security and air transport facilitation in line with the provisions of Annex 17 (Security) and Annex 9 (Facilitation) to the Convention on International Civil Aviation for a period of at least six months. On successful completion of the training, they will be considered for appointment as Aviation Security/Facilitation Inspector in a substantive capacity.

Duties:

1. To establish and promulgate operational criteria to be met for implementing security and facilitation measures under the national civil aviation security programme and the national air transport facilitation programme.
2. To constantly analyse the level of threat to civil aviation and initiate such action by airlines, airports, providers of security services and other organisations contributing to the programmes, sufficient to effectively counter the perceived level of threat.
3. To review and ensure the adequacy of security programmes and associated documentation produced by airports, aircraft operators and cargo operators and monitor their implementation to ensure continuing effectiveness and incorporation of amendments as required.
4. To ensure that the State's national civil aviation security programme and national air transport facilitation programme are up to date, effective and upgraded from time to time, as required by changing circumstances.
5. To develop national standards and recommendations relating to the specifications and evaluation methodology of security equipment and systems, and airport design in order to adapt airports to security requirements.
