Africa Public Service Day Celebration

On the 23rd June every year, the world pays tribute to the Public Service as we celebrate both the United Nations Public Service Day (UNPSD) and the Africa Public Service Day (APSD).

2. The theme chosen by the United Nations for this year's United Nations Public Service Day is "Innovating Governance for Sustainable Development and Wellbeing of the People". On the other hand, the African Union has selected the theme "African Charter on values and Principles of Public Service and Administration: A tool for Enhancing Governance in the Open Government Era" to mark the APSD.

3. Celebration of this Day in Mauritius marks and recognises the efforts and determination of the Public Service to unflinchingly support and implement government policies towards modernisation of the Republic.

4. As a further mark of commitment by the Civil Service to cater for the well being of the people, this Ministry, in collaboration with the Ministry of Health and Quality of Life and the Blood Donors Association is organising a Blood Donation Campaign on **23rd June 2014, from 07 00 to 17 00 hrs, Ground Floor, Emmanuel Anquetil Building, Port Louis.**

5. It would be much appreciated if you could kindly motivate officers of your Ministry/Department to participate in the blood donation campaign. You are also kindly requested to authorise the release as appropriate of your officers to participate in the above event.

6. As a mark of appreciation, tokens will be offered to blood donors.
