**Public Lecture - New Public Service and National Development**

In the context of Civil Service Reforms, a series of seminars is being organised for different target groups namely Supervising Officers/Heads of Departments, Desk Officers, officers of the Administrative Cadre and some officers of the Personnel Cadre as well as representatives of Trade Unions.

2. In order to give the opportunity to all officers to be apprised on such an important topic, Dr Gordon Draper, Management Consultant, will give a public lecture on the theme "New Public Service and National Development" at the Sir H. Vaghjee Hall, New Government Centre, Port Louis on Friday 11 August 2000 at 1500 hours.
3. It would be appreciated if the officers of your Ministry/Department, as well as Para-Statal Bodies/Local Authorities falling under the aegis of your Ministry could be released to attend the lecture.
